

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

ELANTRA
Shop Manual
Volume 2 of 2

FOREWORD

This shop manual is intended for use by service technicians of authorized Hyundai dealers to help them provide efficient and correct service and maintenance on Hyundai vehicles. To ensure customer satisfaction with Hyundai products, proper service and maintenance by Hyundai technicians is essential. Consequently, it is important that service technicians fully understand the contents of this manual, which should be kept in a handy place for quick and easy reference.

All the contents of this manual, including photographs, drawings, and specifications, are the latest available at the time of printing. As modifications affecting service occur, dealers will be provided technical service bulletins or supplementary editions. This manual should be kept carefully up-to-date upon receipt of the new information.

All information in the shop manual is current at the time of publication. Hyundai Motor Company reserves the right to make changes in design or to make additions to or improvements in its products without incurring any obligation upon itself to install them on its products previously manufactured.

MAY, 2006, Printed in Korea

This manual (Volume 2) contains the chassis groups. For the engine groups, refer to the volume 1.

CAUTION:
Severe engine and transaxle damage may result from the use of poor quality fuels and lubricants that do not meet Hyundai specifications. You must always use high quality fuels and lubricants that meet the specifications listed in the Recommended Lubricants and Capacities Chart on Page G1-14 in the General Information Section of the Shop Manual.

NOTE:
For the circuit diagram of each group, refer to the "2007 ELANTRA Electrical Troubleshooting Manual (Pub. No. A2HE-EWESAK)".
