I have the solutions manual and test bank for this above book available for sale. You can purchase this by sending payment to a paypal account for the amount of \$19.50. Once the money has been received the file will be sent as a zip file to your paypal email address unless you request another email address to be sent to with your payment.

If you would like to purchase this solutions manual send an email to andjones1981@gmail.com to get payment details.

Below is Case 1.1 to verify its authenticity. This solutions manual was available on ebay but was removed due to Ebay's policies on electronic distribution. The sellers account name was froggie_dudette88, you can see that multiple copies were sold with no complaints if you are worried. Also, since money is sent through paypal you would be protected if you wouldn't receive the solutions manual.

Thanks!
